## Before the race

1. A representative of each team goes to the **WELCOME desk** to collect the envelope with the 3 Team BIBs (race numbers), safety pins, personal wristbands and change form.
2. For security reasons, all persons on-site must be wearing an official IMMORUN bracelet. Access controls will be carried out at the entrance gate as well as during the entire event. All people without a bracelet must go to the Welcome Desk.

**No bracelet = No access to the IMMORUN reception area**

3. **If you need to make a team change**, fill in the Team Change Form printed on the envelope and **confirm the category** in which the team is registered (Men/Women/Mixed). The envelope needs to be dropped off in the Team Changes Box at the Welcome Desk.
4. Remember: BIBs (Race Numbers) of your team have a letter A (9km), B (6km) or C (3km).
5. Get changed into your running gear in the changing spaces and bring your bag to the luggage room (see map). Usage of the luggage room falls under your own responsibility.
6. Gather your teammates and move to the TEAM PICTURE zones.

**The BIB (Race Number) must be attached to the front of your t-shirt or running gear and must always be well visible during the race. A = 9KM; B = 6KM; C = 3KM  
The Runner wearing the “A” BIB MUST START.**

## **During the race**

1. All the runners with an “A” on their BIB number will start the race at 18:00 and will run a loop of 3 km. The circuit is indicated with signs and several officials wearing People First signs will guide you. All runners must follow the public road signs.
2. At the end of the first loop, the numbers “B” will stand ready in the RELAY zone to accompany their Runner “A” for the second loop, and after the 2nd loop, the Numbers “C” will join their team. You must respect this chronological order: “A” starting first, “B” joining after 1 loop, “C” joining after 2 loops. During the 2nd and 3rd loops, all runners from the same team must run together, be within 5 meters of each other at all times and pass the finish line of the third loop together. The time of the team is based on the last runner passing the finish line.
3. The race takes place on public space, so the circuit remains open to all. Therefore, we ask all participants to respect all third parties who may be present (walkers, bikers,...). The organization may not be held responsible in case of an incident.

**All runners participate in the race under their own responsibility. In case of injury during the race, please inform the closest official guide along the circuit. The Red Cross will be present to intervene in case of an incident.**

**Please note that all flags, tarps and other promotional materials belonging to non-partner companies found on or near the IMMORUN Village are strictly forbidden. Our organization reserves the right to take them away.**

## After the race (ceremony, showers, walking-dinner)

1. We will start the award ceremony when the last team arrives (around 19:00).
2. This way, we can welcome the last team of the race directly on the podium. Teams entitled to an award must stay close to the podium (Top 3 Men/Women/Mixed) during the entire Ceremony.
3. Top 10 and awarded teams may be controlled to prove that each runner is related to their company. Any irregularities will lead to disqualification of the team.
4. Afterwards, each runner may go for a shower (collective): Women's and Men's areas will be indicated. The walking-dinner starts around 20:00 and the buffet will be open until 22.00.

**You may choose if you want to shower directly after the ceremony or start to eat first and shower later, but shower needs to be taken before 21:00.**

The event ends at 23:00.

Thank you for your participation in this new edition of IMMORUN™, the first real estate race in Luxembourg! We hope that you enjoy your run.
